### Happy Thanksgiving!

Here in the USA it is "Thanksgiving", a time when families gather, along with friends and take time to pause and give thanks. I have been reminded over the last couple of days of a verse in Deuteronomy that says, the difference between those who are under the curse and those under the blessing is that they did not have a thankful heart for the abundance of all things. For those of us in the USA, at this Thanksgiving time, and all of us around the world as we celebrate the Christmas season, may we do it with thankful hearts. This has been a wonderful year!

I have written quite a lot recently around the subject of 11/11 and I've been encouraged not only by what's happened in my life but also the reports I've had back from some of you re the significance of the season. I know we will look back to this time as one when major shifts happened in the world, as well as in the advancement of the kingdom of heaven. I will share more with you about these things as we meet at cluster times.

We are all aware all of the turmoil that persists in the Earth and as I have said before this is the season we need to be very vigilant and aware in the spirit. On the eve of 11 11/11 Dutch sheets communicated through the Elijah list an experience he had in dreams.

I'm writing to make you aware of several warnings I've received recently concerning terrorist attacks against America, and to ask you to join me in praying for protection from these attacks. Within the last few months I have had several credible dreams presented to me about this, five of which have been within the last week. While warnings such as these are subjective in nature, and dreams always need careful discernment and interpretation, I feel that the dramatic and sudden increase of these warnings merits this call to prayer.

I don't feel it is necessary to give details from the dreams – suffice it to say that the attacks seen were worse than 9/11. For some time many of us have felt that more terrorism was possible for America. One need not be particularly prophetic to know this is planned by our enemies – indeed, our government warns us of this and encourages regular vigilance, and plots have on occasion been discovered and thwarted. But many intercessors and prophets have felt that something on a bigger scale is being planned and stands the chance of succeeding. This is what the recent dreams warn of, and the sense is that it could be imminent.

I'm asking you to join me – for the next few days especially, but also over the next few weeks – in interceding for God's protection over our nation. Yes, we as a nation have sinned against the Lord in many ways, and perhaps if we receive what we deserve it would be further judgment. But that is to be determined by the Lord and it is always appropriate to ask Him for His mercy.

- Pray that plots be exposed and the individuals involved be discovered and captured.
- Pray for the success of our law enforcement and protection agencies.
- Pray for sound leads to come to them and for the necessary wisdom to "connect the dots."
- Ask God to forgive and cleanse us of our wicked ways, and continue to pray that America receives a third great awakening.

Let's all do our part to ward off any and every attempt to bring violence and destruction to our land. Please help spread the word by forwarding this message about these warnings and the call to prayer.

Thank you for joining me in this watchman alert.

We have great faith in our hearts that this time of transition is preparing the way for an even greater advancement of the governmental rule of the kingdom of heaven. There will be a lot of prophetic words coming about 2012 and one that I've already received from a prophetic friend is one that we can hold in our hearts as we go through the change of year.

Think on these things and be encouraged. This is a time to live with great expectation and keep a thankful heart.

Much love from Marilyn and me.

*2012 The year of Demonstration  
1 Corinthians 2:4&5*

This is the 3rd of November and a Pastor friend of mine just asks me in passing, "What's the word of the Lord". I don't think he was thinking of a directional word from the Lord for the Body. BUT, immediately, I got one word...PENTECOST!

What I am receiving is that this is the year of, "DEMONSTRATION". Where we shall see the Kingdom of God demonstrated in Power and Authority. There shall be many suddenlies in this season. Many unexpected occurrences across this nation and into the world. This shall be both wonderful and awesome. Signs and wonders will follow them that believe. Signs and wonders will follow the Preaching of Word. There shall be newpreachers of righteousness with a now anointing, yes NOW ANOINTING. They will preach from righteousness, not for it. They shall be revelators as they shall reveal the mysteries of God and peel back the veils from people's minds of who they are in Christ. I get a sense that those that are stepping out in these areas will be buffeted more than usual, but to no avail, as the opposition to the demonstration shall platform for further greatness and position. I hear the Lord saying, Fear not and do what you see Me doing, for in the midst of all the storms you shall feast in the midst of the your enemies. I see great advancements coming to those that are led by Holy Spirit. There will be unconventional decisions in trying times, but because you are led by the Spirit of the living God, you shall be re-positioned for promotion. Promotion is not the end Goal but God wants to use it for the establishment of His Kingdom.

I see the lord making leaps and bounds this year in certain nations and even nations that we would consider the last, shall even become first. Nations that we would not expect God to move in, He has been working in the shadows and they shall become a sheep nation and it shall seem like the nation was saved in a day.

## *2012 The year of Demonstration [CONTINUED]*

Not only a year of Demonstration in Power, but also Authority! This coming year, 2012, is the year of setting things in proper order. I don't believe this to be a coincidence, that we are in the year of 2012 and the number 12 is interpreted by many to be the number of Apostolic and governmental authority.

I believe that God is ordaining afresh His emerging Lions, for the Lion of Judah shall roar into the Ground and strike terror in the camp of the enemy. Yes Lord Sabbaoth shall roar through His Apostles. They shall roar aloud and spare not, as they declare the greatness of their King and of His Victorious KINGDOM. These reverberations into the land will send off shock waves of Spirit and Life and cause the enemy to be scattered. Then before he can re-establish himself to back attack we will of already suddenly taken back our inheritances and made significant territorial achievements. This is not just in the Spirit for the Lord is saying, I am positioning my people in every arena of life in this next season. This is the beginning of the, Transfer!

These Apostolic leaders shall lead a major charge and release a declaration that will induce courage into the Body of Christ. Fear in the body of Christ, THIS YEAR 2012, shall receive a crushing blow! As these timely words of victory are being released, the people of God will begin to believe that Greater is He that is in them then He that is in the World. They shall begin to believe that, they that know their God shall do mighty exploits. There shall be an ownership of their position in Christ. They shall not just give a mental ascent to the FACT, that they are seated in heavenly places, far above all principalities and powers of darkness. They shall believe afresh with new zeal, with a NOW anointing, that they have been placed back in AUTHORITY and we have been given all power over all the power of the enemy.

Last year I sent out a word that 2011 was the year of Manifestation. Where we would see things manifest that we have been believing for, for a decade. I felt that there would be weeping and rejoicing in the same tent. This has come true. There have been some amazing harvests of life, light and liberty. There have also been harvest of things that have not been put under the Blood. This leads me to a caution I am receiving...

### **FINAL PREPARATION:**

That these last few moments of 2011 is like Matthew 25 (we shall be the five wise virgins, in Jesus Name and by His Grace). A Final Preparation for such a wave of power. A Final preparation of such a wave of Glory, that many have not been expecting because it hasn't felt like it, because all the noise of the enemy. That many will be caught of guard and the wave that was meant for there benefit and advancement, shall even sweep them away instead of up.

## 2012 *The year of Demonstration* [CONTINUED]

In this Year of Manifestation, 2011, there have been many things even in our personal lives that have manifested, (come to the surface) and God in His Great Grace and Mercy has allowed them to be manifested (in and cause to shine). God is trying to show us that these are the areas that we need to deal with before He comes in All His Power and All His Authority!

Get Ready! Get Ready! Get Ready!

For He is coming and that without remedy!

I bless you in the Name of Jesus Christ,

## 'Tapestry of Dreams'

Several years ago, Mary, the kids and I were at Walt Disney World and we went to a parade at Epcot that was called 'Tapestry of Dreams.' They no longer have this parade but Mary and I still remember how moved we were by it. The concept was a procession and parade that blended music, children voicing their dreams, and interspersed with a narrator revealing the power of dreams. There were floats, dancers, and music performed by the London Symphony Orchestra and Royal Philharmonic and of course it was done in only the way Disney does things – spectacular!

By the time the parade was over, Mary and I were both in tears. I mean, it was fantastic; but in tears?! As we left and for the next several days while we were still at WDW, I pondered why I was so moved by this parade? What was touched inside of me? And as I pondered, I was reminded of this scripture:

*"No eye has seen, no ear has heard, and no mind has imagined what God has prepared for those who love Him."*

And I was reminded also of this scripture:

*"Now to Him Who, by the power that is at work within us, is able to do superabundantly, far over and above all that we [dare] ask or think [infinitely beyond our highest prayers, desires, thoughts, hopes, or dreams]--To Him be glory in the church and in Christ Jesus throughout all generations forever and ever. Amen."*

And this:

*"I heard a loud shout from the throne, saying, "Look, God's home is now among his people! He will live with them, and they will be his people. God himself will be with them. He will wipe every tear from their eyes, and there will be no more death or sorrow or crying or pain. All these things are gone forever."*

And finally I thought of this:

*He has made everything beautiful in its time. He has also set eternity in the human heart; yet no one can fathom what God has done from beginning to end.*

To dream, to dare to dream, is a part of Christian vocation. But the reality is ... life has a way of fighting back; it has a way of squelching our dreams and moving them to the back recesses of our minds and thoughts. Life has a way of knocking the life out of life! And yet Proverbs 13:19 tells us: It is pleasant to see dreams come true, but fools refuse to turn from evil to attain them. John Maxwell writes: "I believe God wants us to dream, and to dream big, because He's a big God who wants to do big things and He wants to do them through us." (John Maxwell, Put Your Dream to the Test).

I believe that our Heavenly Father has placed within humanity a dream: a dream that there must be more to this life than what we see; a dream of doing great things for Him; a dream of something beyond ourselves but only possible through Him. For men and women, young and old, to dream is to have hope. What has God placed within our heart to dream?

## *Tapestry of Dreams* [CONTINUED]

I recently re-read 1 Kings 8 when King Solomon dedicated the temple. You remember the story ... Solomon's father, King David had wanted to build the Lord a temple but he was not allowed as he had been a man of war. But the Lord promised David that his son would build it and Solomon took on the task. At the dedication, Solomon said these words:

*“My father David had it in his heart to build a temple for the Name of the LORD, the God of Israel. But the LORD said to my father David, ‘You did well to have it in your heart to build a temple for my Name. Nevertheless, you are not the one to build the temple, but your son, your own flesh and blood—he is the one who will build the temple for my Name.’*

I love verse 18 – You did well to have it in your heart!

I think we can paraphrase it to say: David, you did well to dream! Imagine our Heavenly Father saying to us: You did well to dream!

What about us? Have we stopped dreaming? Is there a longing that still aches when you think about it? Are we hoping for a better marriage, a better family life, a baby? Is someone hoping to fulfill a vision of ministry God gave to you? (Missionary work, reaching out to a certain group of people – orphans, widows, children, unwed mothers, etc) Maybe we've just stopped dreaming; maybe we've lost hope. Pray today for the Holy Spirit to stir up the dream.

Martin Luther King Jr. said this: “And each of you ...in some way is working towards some kind of temple. The struggle is always there. Its gets discouraging some times...well, that is the story of life. And the thing that makes me happy is that I can hear a voice crying through the vista of time, saying: It may not come today or it may not come tomorrow, but it is well that it is within thine heart...Thank God that we have hearts to put something meaningful into.”

So begin ... or begin again to weave your 'Tapestry of Dreams.'

## Bob & Brenda Doody

Bob and Brenda Doody of Light of the World in Syracuse, NY had an extensive house fire on October 28. No one except Murphy, Elizabeth's little Shih tzu dog, was home at the time of the fire, and he was rescued by firefighters after a neighbor notified them of his presence in the house.

While thankful they have good insurance, this is still a difficult time of loss. The rebuilding/restoration process will take 4 to 6 months.

Bob and Brenda are living in a nice basement apartment that was offered to them by a family from Faith Heritage. They are seeing God bless in many ways, and are grateful to Him for all that He is and continues to be - never changing, always faithful, and loving them through this hardship. Even though it's just "stuff", it's still hard...

Please keep them in your prayers over this challenging season.
